

# ALINO ALL-IN-ONE AIR VENT INSTALLATION INSTRUCTIONS

## Parts included:

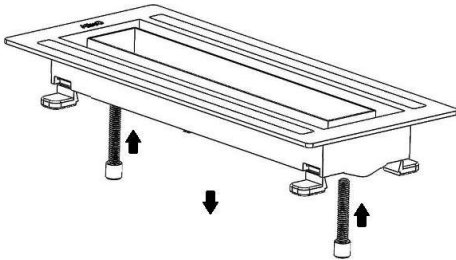

4. Remove or cut 4 spacers for 3"x10" vent

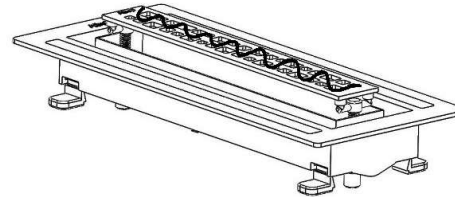

## CONTINUE WITH STEPS 5-7 FOR FLOOR INSERT VENT APPLICATION

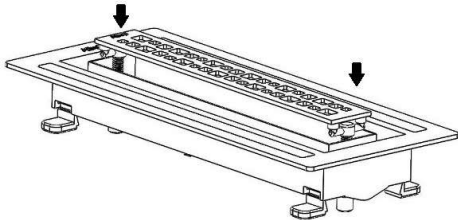

1. Insert both height adjustable screws

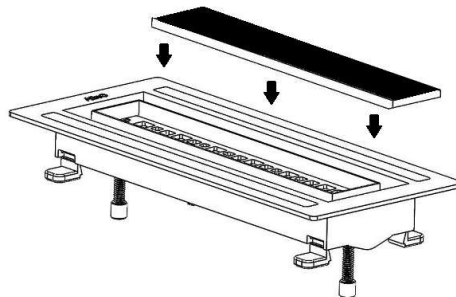

5. Apply glue on the vent cover and clean excess glue from the bottom of the vent cover

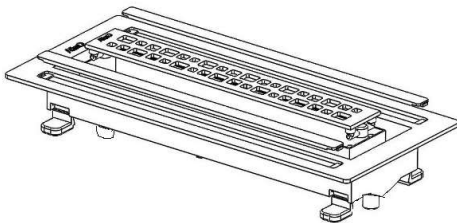

2. Place vent grill on the screws  
(you should hear click sound)

6. Lower the vent cover by unscrewing height adjustable screws up to the floor thickness

3. Remove both strips for 4"x10" vent  
(Do not remove for 3"x10" vent)

7. Flush the vent cover with the vent flange and place on to the vent hole.
